

PIUG 2023 CONFERENCES – SPONSOR & EXHIBITOR BENEFIT TABLES

PLEASE NOTE the following:

- Plenary presentations/workshops presented during the on-site conferences will be recorded and available for later playback
- We can accommodate a maximum of 4-5 Gold+Silver Sponsors with plenary speaking time included
- Plenary Talks:
Gold – one 30-min talk at **the** Annual Conference
Silver - one 20-min talk at **the** Annual Conference.
- All Sponsors and Exhibitors will pre-record a product review which will be loaded into the meeting app and available to all Conference attendees
- There will be a web app/online platform for the Conferences; Sponsors/Exhibitors will be able to populate their space in the app with contact information, links, pdfs, pre-recorded videos and the like; there is no expectation that Sponsors/Exhibitors will be available virtually during the on-site Conferences (if any Sponsors/Exhibitors choose to be available for virtual consults/meetings during the on-site Conferences that is entirely their choice)

Please reach out to Jane Thompson (jane_thompson@eisai.com) and Ken Koubek (admin@piug.org) if you need clarification on any of the above in order to make your Sponsorship decision.

****for Gold and Silver sponsors:** the speaker who delivers the guaranteed plenary talk must use one of the free registrations

Workshops:

Workshops may be scheduled concurrently depending on the number/duration of workshops requested; conflicts will be minimized and all workshops will be recorded for later playback by Conference attendees.

For Sponsors & Exhibitors: workshop time is available at \$1000/hr for the first hour; additional time may be available at \$500/hr or \$250/half hour.

For all others: depending on scheduling workshop time **may** be available for a fee of \$500 plus the applicable hourly fee (\$1000 first hour); please email workshops@piug.org to enquire about availability.
